Radio with a mission

Welcome to Billings Catholic Radio:

Beginning in 2007 with a dream, the board of Agnus Dei Communication gathered to form a 501c3 non-profit to fulfill the desire of many for a local Catholic radio station. While partnering with the EWTN Global Catholic Radio network, to provide the very best in Catholic programming, the board quickly earned the faithful support of nearly 1000 donors to purchase a full-power AM station and it's FM translator. Today, Billings Catholic Radio broadcasts on 1240AM and 97.5FM. We also provide a 24 hour stream via www.kjerradio.com and in 2015 launched our mobile app for Android and Apple devices. We continue to use all available means to "share the Good News with all creation" ~ Mark 16:15

We broadcast to over 125,000 potential listeners across 7 counties in south central Montana. We reach listeners at home, in their car, online or on their smartphone.

Our programming is message oriented. Listeners tune in to hear a message, not just background noise.

What is Underwriting:

Businesses, organizations or churches who wish to support Billings Catholic Radio by underwriting a portion of our programming receive on-air acknowledgement of their support through recorded announcements. These announcements may promote your business, services, location, years in operation and contact information.

Benefits of Underwriting:

Underwriting is not commercial advertising, but it can provide your business or organization with some of the same benefits as well as benefits that commercial advertising can't offer. Catholic radio can be a powerful public relations tool. Listeners have a positive image of businesses that support Catholic radio and report their purchasing decisions are influenced by such underwriting support.
